Golden anniversary 'Team of 1941' returns to glory

By TOM MOORADIAN
ANP Staff Writer

Some arrived wearing their old Belleville High letter-sweaters.

A few looked as if they were ready to put on football uniforms and play a quarter or two.

They all had smiles on their faces, and "were happy to be a part of this celebration."

They were members of the Belleville High football team of 1941, a team that had captured the mythical Class B state championship.

They gathered in the Golden Boy Restaurant in Belleville Friday night for dinner, to reminisce of the days when they ruled the gridiron, then headed for Belleville High to cheer on their alma mater. The Tigers of 1991 didn't disappoint, either. They won a classic duel in the rain against Trenton, 31-20, to end a six-game losing streak and close out the Wolverine 'A' Conference season with a big victory.

"This is the kind of Belleville that we love," said James Richendollar, superintendent of Van Buren schools, in extending a welcome to team members and their wives. "We are rich in tradition and friends. We must never lose sight of what was. What we had. Tonight the past comes alive with your presence here. God bless you all."

Ray VanBuhler, a member of the '41 team, said that he was proud to be a part of the team and the rich past that lives forever in our memories and is rekindled with this spark of togetherness."

"We played in a different time and different era," VanBuhler recalled, "but there is that same camaraderie that athletes all over the world share. Looking at my former teammates and friends, time has suddenly stopped. I really would like to thank everyone who had anything to do with bringing our team together again."

In his welcoming words, Larry Tabor, Belleville high principal, praised the men for helping build the foundation of excellent sportsmanship and pride.

"Fifty years ago, these men proudly wore the "orange and black" and helped establish a tradition of sportsmanship, teamwork, and a desire for excellence that has endured for half-a-century.

"Their gathering here this evening, so many years later, is a testimony to the pride and sense of community instilled in them as Belleville High School athletes. They exemplify for all of us the true meaning of high school spirit and tradition," Tabor said.

The evening was organized by Michael Colletta, Belleville High athletic director, who had the laborious task of putting the program.

Howard Sherman, a member of the 1941 team, was the prime motivator for "getting the message out to his fellow teammates." He also provided a wealth of knowledge about the team and team members.

Edward Gielinski, whose grandson is in the 1991 Tiger lineup, remarked during the game: "This is something I wouldn't miss for anything. It is a memory I believe that we will cherish until our final breath."

ANNAPOLIS WOMEN'S SERVICES

"They Had Everything To Make His First Days Special. That's Why I Chose Annapolis."

"Having my baby was a wonderful experience, and having my baby at Annapolis made it even better. They provided comprehensive, on-going prenatal care classes for my husband and me. And when the time came, I had my baby in their home-like birthing room, where both labor and delivery took place. And the doctors and the nurses, well, everyone was just wonderful. Having my baby at Annapolis made a special event even more special."

Annapolis Hospital is part of the Oakwood health care system. One of the largest health care systems in Michigan, with six hospitals, more than 30 local health care and specialty centers and more than 1,000 physicians.

ROMULUS NEWS

DIGEST

Residents offered free education

Romulus Adult Education is offering residents a chance to excel in the areas of computer applications and electronics.

In both of the above-mentioned areas six-month courses are being offered. All 17, 18 and 19 year-old high school graduates, G.E.D. holders of any age, and non-high school graduates qualify to take the classes for free.

The Computer Application course is will provide a basic understanding of both the computer and Disk Operating System (DOS).

The electronics course is designed to prepare the student to work on analog and digital electronic equipment at the entry level. DC and AC fundamentals are learned and practiced in this course, and basic and advanced circuits are constructed, analyzed and tested to insure capability and understanding.

Besides receiving a certificate of completion after the course, graduates will also receive job placement assistance.

For more information, call Jewell Hall at 932-5800.

Senior Center offers activities

The Romulus Senior Center is offering a host of activities for seniors to enjoy.

A trip to Southland Shopping Center is planned for tomorrow at a cost of \$1.50 per person to pay for transportation.

Monday, Nov. 4, free blood pressure readings are being offered from 1 p.m. to 3 p.m.

Next Friday, seniors are invited out to dinner and to see the play entitled "The King and I" at Huron Civic Theater. Total cost for this event is \$9.

Anyone age 50 or older who would like to be a part of the Senior Center activities may call Marilyn Masters at 942-6852.

Chamber seeks party sponsors

The Romulus Chamber of Commerce would like resident to know that "it's that time of the year again."

Planning is currently under way for the annual Business and Industry Christmas Party hosted by city officials and the chamber. The party this year will take place from 4 until 8 p.m. at the Holiday Inn in Romulus Dec. 5.

The event is being planned to "...bring together our business community to help toast the holidays," said Karen Cantrell, party coordinator.

Because they are trying to establish a budget for the party, Cantrell asks that those making a contributions send a check to the Romulus Chamber of Commerce and mail it by the end of the week.

All those making a contribution will be listed as a co-sponsors.

"The help and support of the community the past has made the party the success it has become," Cantrell stated. "We look forward to seeing you at this annual event to help toast in the holidays, the city of Romulus and you."

Center offers student trips

The Romulus Recreation Center is offering two November events designed for students ages 3 through 7.

The first trip to the Terrace Theater where a movie appropriate for elementary age children will be seen.

A cost of \$2.50 will include the movie and transportation to and from the Recreation Department.

Parental pick-up is required. Sign-up deadline is at 5 p.m. Nov. 6.

The second event is a trip to Skateland West.

Cost is \$4.50 per student and includes transportation to and from the Recreation Department, admission and skate rental.

Parental pick-up from this event is also required and deadline to sign up is Nov. 15.

1991 city council contenders comment

By AMANDA WILSON
ANP Staff Writer

As election day sneaks up, voters will be taking one last look at city council candidates before approaching the booth.

Following is a reminder of the 12 individuals running for the Romulus City Council and a message from each.

●**Noah P. Bergeron** – Bergeron has served six terms as a city council member and is looking forward to finishing the plans the council has begun during the past year.

He considers himself a "non-sense kind of guy."

"If I believe in something, I'll fight for it. If I hear about a problem, I'll look into it," he said. "I don't play political games. I'm here to get the job done."

When asked if he would like to give a message to the voters, he replied: "Vote for Bergeron. If I'm re-elected, I'll continue to think of the needs of the residents when deliberating on the future of Romulus."

●**Mary Ann Banks** – Banks served as Mayor Pro Tem for Romulus from 1977 to 1989. She now works as a secretary in special education for the Romulus Community Schools.

She feels her experience on the council and within the community give her what it takes to be a good council member.

"Romulus is a great place to live and I will help the residents in any way I can if I'm elected," Banks said. "I would like to use my experience and interest to do what I can to take care of my fellow citizens and make Romulus a better place to live and work."

●**Fred Junior Block** – Block has been a council member for about 20 years. He is self-employed in the business of buying and selling farm machinery.

He is very concerned about the needs of the "little people" and considers himself a "behind-the-scenes" official, ready to listen and act as a liaison to taking care of problems.

"What concerns the people, concerns me," Block said. "If re-elected, I'll continue to do all I can to take their problems to the right place, and get them taken care of."

When asked if he had a message to the voters, Block said: "Get out and vote and support the candidate who you think will do the job you want to have done. We've got a great city here with a lot of potential which can be brought out through the right people."

●**Jimmie Raspberry** – Raspberry became a councilmember in 1970 and previously served as a trustee for Romulus Township. Facing a campaign loss in 1973, he resumed office from 1975 to 1985, and again in 1987, after recovering from the death of his wife.

"I would first like to thank the citizens for giving me support over the many years," he said. "If they choose to re-elect me, I will continue to be fair and responsible and use my best judgment in exercising my duty as a councilman."

Jimmie Raspberry

Judith Frederick

Ellis Pennington

Pauline Calhoun

Russell Lambert

Fred Junior Block

If re-elected, he also plans to encourage residents that now live in the city to stay, and to welcome the new by keeping Romulus a safe and promising place to live, Raspberry said.

"I am asking for another term and I hope the residents of Romulus see fit to return me to office," he said.

●**Ellis Pennington** – Pennington served on the first city council from 1970 to 1973, and returned to the council in 1985. He also served eight years on the Romulus Township Board of Directors.

Pennington believes in speaking up to make a difference, and will continue in that vein if re-elected to serve on the Romulus City Council.

"I will continue representation as I have in previous years," he said. "I will continue to answer citizen complaints to the best of my ability."

His message: "Vote November 5th regardless of who you vote for."

●**Doreen Seibert** – Seibert is a Romulus Head Start School bus driver and has resided in Romulus for seven years.

She is a strong believer in teamwork and, if elected to serve on the Romulus City Council, plans to try and incorporate that concept.

"It seems the current council members are all against each other as far as some of the issues are concerned," Seibert said. "If elected, I would like to see what we can do about changing that so that we can all work together toward a common goal."

"If you would like a change and fresh new ideas, vote Seibert Nov. 5th," she said.

●**Pauline Calhoun** – Calhoun has lived in Romulus all her life and considers herself an active and concerned member of the community.

If elected, she plans to act on the many goals set for herself in helping fellow community members.

"I have seen a lot of unjust treatment as far as Romulus residents are concerned – it simply takes too long to get things taken care of and I intend to do something about it," she said.

Her message: "Residents of Romulus, I would urge you to review the actions of the council and decide if now is the time for a change."

"If any Romulus resident would like to contact me, I would welcome your concern and can be reached at 941-4240."

●**William Wadsworth Jr.** – Wadsworth has been a council member since 1983.

He is an officer with the Wayne County Sheriff's Department and it is his goal to continue to serve the needs of the citizens through his seat on the council.

He is committed to taking care of "residents first," and plans to hang on to that motto if re-elected.

"I would ask for support for my fifth term and hope the people of Romulus who have supported me in the past will do so again," he said. "I have done the best I could and, if re-elected, I will continue to do keep the interest of the voters in mind."

"There is still a lot undone in Romulus and I want to be there to stand up against Metro airport who I think is taking too much land from us too quick," he said.

●**Randolph Gear** – Gear is completing his second term on the council and looks forward to many more to come.

Gear considers himself an active member of the community, and hopes to continue to have a say about the things that affect him and fellow Romulus residents.

"I love this city and I care very much about what goes on within, and how the residents and workers are affected," Gear said. "I'd like to be re-elected so that I can continue working toward fulfilling needs of the citizens and doing what's best for our city."

"A lot of positive things have taken place here in the past couple years and there's a lot more to come," he said. "I hope the people see fit to re-elect me so that I can continue

to work toward keeping Romulus a growing and thriving community."

●**Russell Lambert** – Lambert has resided in Romulus on and off for about 40 years. He is resigned from the Romulus Volunteer Fire Department and is currently employed as a foreman for a carpentry firm.

"My motto is and has always been: I am willing to work for the people," Lambert said. "Look in the phone book for council members names and you'll see mine has always been there because I'm here for the people anytime they need me."

When asked why he wants to serve on the city council for another term, he explained, "I want to continue extending my efforts to work for the people of Romulus, and to do all I can to help those who call on me."

●**Mary Collins** – A life-long resident of Romulus, Collins believes local residents need to be more aware of what's happening with tax dollars.

"My prime message to my fellow Romulus taxpayers is please get out and vote Nov. 5th," Collins said. "This is the only way your voice will be heard regarding your dissatisfaction with higher and higher taxes (through ever increasing property assessments), the lack of more and better city services and the big business - big money influences which pervade our local government thinking, planning and direction."

"I have taken a stand against Proposals A, B and C. They only mean higher taxes," she said.

She went on to say that accountability will be a priority if she is elected to serve on the city council.

"You need to know how your tax dollars are being spent," Collins said. "You need to know the full impact of re-zoning and airport expansion will have on your property and your future here in Romulus. You need someone who is not afraid to ask questions and get answers."

"For the first time in years, you, as voters, have the opportunity to make sweeping changes in the city council membership," Collins stated. "New faces, new ideas and, yes, inexperience, but not complacency - not rubber-stamping."

"I can only urge each of you to take full advantage of this great opportunity."

●**Judith Frederick** – Frederick has resided in Romulus for 27 years and considers herself a very active member of the community.

A frequent audience member at council meetings, Frederick believes the city has managed tax money well and is pleased about the services Romulus has to offer.

"If elected, I'm going to help the mayor help Romulus to re-

"I would consider my job on the Romulus City Council as a very important position because the decisions I make will affect my generation and the generation to follow," She said. "Vote Frederick."

The Great Escape

Elizabeth of the Psychic Connection in Westland helps put escape artist Clarke Grande in a 20th Century mail pouch. The pouch was locked and initialed yet Grande escaped in under five minutes without damaging the lock. A challenge to perform this escape was given by Elizabeth upon Grande's request. The show was performed at the Par-Driving Range in Romulus Monday. ANP photo by Deanne L. De'Onk-erstaff photographer

Previously doomed business celebrates productive life

By AMANDA WILSON
ANP Staff Writer

In 1987, its future was in question. Today, considered one of the largest employers in the city, the Romulus Engine Plant celebrated the building of the one millionth engine.

Built to produce engines for Detroit Deisel, the engine plant nearly went out of business as the market for diesel engines declined. The closing of the plant had been scheduled and announced.

Finally, following development of an innovative labor agreement and tax agreements with the city, the Chevrolet-Pontiac-Canada Group agreed to invest \$250 million into the site.

"After GM took over the group, we became one of the first sites within the company to embrace customer and team-oriented work processes and synchronous manufacturing," said Michele Bular, manager of communications and training for the company.

She said their manufacturing system eventually became used GM-wide as the Quality Network strategy for running

the business.

"With our streamlined process and innovative union and management thinking, we became a model for the company."

The plant, which employs 1,200 people, now produces the 4.3L V-6 engines which can be found in S10 pickups and Blazers and the S15 Jimmys. They also produce a turbo-charged engine which can be found in the Typhoon recreational vehicle and the GMC Syclone, a new truck which reportedly captured the imagination of automotive writers across the country.

"With our engine, the Syclone moves faster than a Cor-

vette," Bular said.

Guests at the millionth-engine ceremony included Romulus Mayor Beverly McNally, Southern Wayne County Chamber of Commerce President Mike Ceasar, Romulus Chamber of Commerce President Mike Worsley, GM Vice President and General Manager Dick Donnely and Pontiac Truck and Bus Plant Manager Craig Parr among others.

"Our production of the one millionth 4.3L engine is a testament to the belief of our employees in quality, teamwork and customer satisfaction," stated Plant Manager Bob Ranka.

Sumpter man named top 1991 employee

Sumpter Township resident Donald Vance has been honored with an Outstanding Employee of the Year award from the Huron-Clinton Metropolitan Authority.

Vance, a grounds maintenance worker at the Lower Huron Metropark, earned his honor as the hourly employee of the year. Cynthia Sullivan, a park secretary, was honored as the salaried employee of the year.

With more than 41 years of service, Vance has the most seniority of any active employee. He was hired at Lower Huron Metropark in 1950, and has been present through the growth and development of the park during the past four decades. Vance worked as a warehouse clerk prior to taking

Donald Vance

his current position.

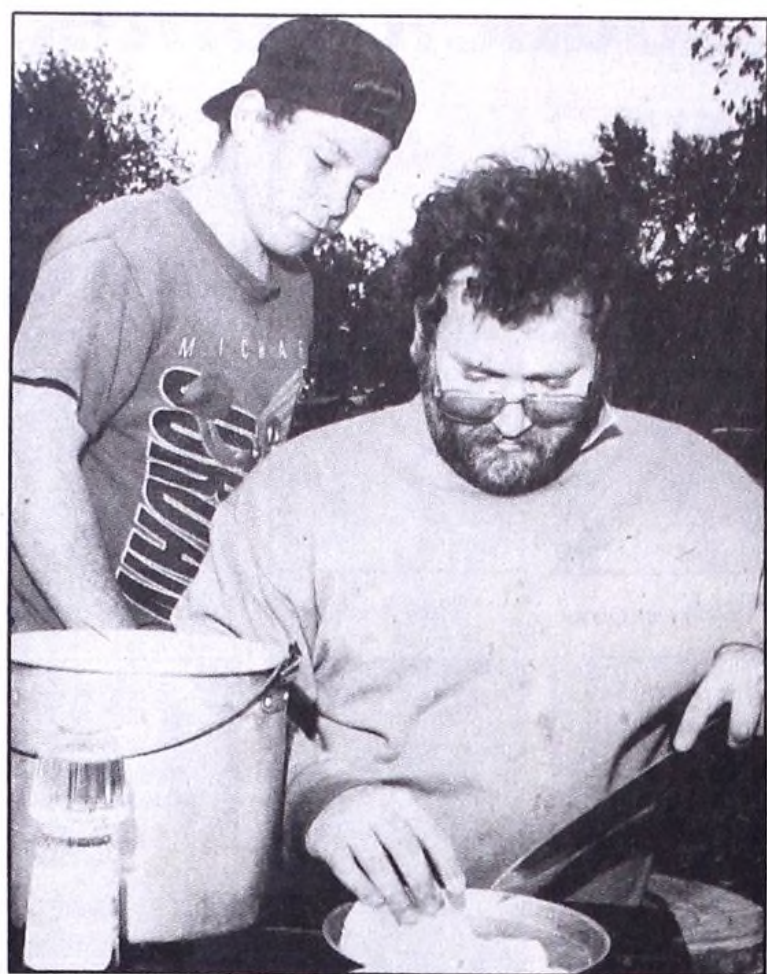

"The candidates for this honor are nominated by their fellow workers. Recipients receive a plaque symbolic of this honor and a \$200 U.S. Savings Bond," said Ronald Smith, president of the HCMA Employees Association.

Friends seek members

Ways to expand their circle of friends are being sought by the Friends of the Fred C. Fischer Library.

Supported by contributions from Belleville, Sumpter Township and Van Buren Township, the Fred C. Fischer

Library has struggled to meet the growing needs of the community, but the budget has not provided sufficient funds for non-essential programs. The Friends of the Library was formed to fill those needs, according to the membership committee.

COUNTY OF WAYNE COMBINED NOTIFICATION FOR: NOTICE OF FINDING OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS City of Romulus - Parks and Playgrounds County of Wayne, 600 Randolph Street, Detroit, Michigan 48226

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
On or about November 18, 1991, the above-named County will request the U.S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93.383) for the following park and playground projects:

1. Project A: Beverly Road Tot Lot - Two vacant residential lots which are presently owned by the City of Romulus will be designed and constructed for use as a tot lot. The park will be designed for tots and elementary age children. Facilities will include two play apparatus structures, sand areas, seating, walkways and landscaping.
Location: North side of Beverly Road between Fourth Street and Carnegie Street and Horace Jackson Avenue.

Purpose: To construct a tot lot which will serve residents of the urban renewal subdivision and the surrounding area. The park is located within 150 feet of the Housing Commission office.

Cost: CDBG funds ranging from \$10,000 to \$20,000 will be allocated from the Wayne County program. (Contract #91-24-NS-03B) The actual cost will depend upon the tot lot design, bid cost and finances available.

- Project B: Henry Ruff Park Improvements - A foot bridge is needed over the drain which traverses the park east/west. The southerly part of the park is already developed. The northerly portion has two ball diamonds that need to be rebuilt. A foot bridge would provide the link between the two activity centers. An alternative would be to reconstruct the drive from Henry Ruff Road into the ball diamonds.
Location: The 19 acre park is located on the north side of Beverly Road and the west side of Henry Ruff Road.

Cost: CDBG funds of less than \$10,000 will be available from Contract #91-24-NS-03B. The amount will be dependent upon the funding left after the construction of the Beverly Road Tot Lot.

2. It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the County of Wayne has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190). The reasons for such decision not to prepare such a Statement are as follows:

- a) No significant impact was found as part of the environmental assessment.

- b) Adverse environmental impacts, if any, have been minimized. An Environmental Review Record respecting the above projects has been made by the County of Wayne which documents the environmental review of the projects and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at the office of Community Development Director, 11111 Wayne Road, Romulus, Michigan 48174, between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday. No further environmental review of such projects is proposed to be conducted prior to the request for release of Federal funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the County of Wayne to the office of the undersigned. Such written comments should be received at L-13 Wayne County Building, 600 Randolph, Detroit, Michigan 48226, on or before November 15, 1991. All such comments so received will be considered and the County will not request the release of Federal funds or take administrative action on the projects prior to the date specified in the preceding sentence.

3. Certification: The County of Wayne will undertake the projects described above with Block Grant funds from the U.S. Department of Housing and Urban Development (HUD) under Title I of the Housing and Urban Development Act of 1974. The County of Wayne and Executive Edward H. McNamara, in his capacity as County Executive, consent to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action, and that these responsibilities have been satisfied.

The legal effect of the certification is that, upon its approval, the County of Wayne may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases:

- a) That the certification was not, in fact, executed by the Chief Executive Officer of the applicant;
- or
- b) That the applicant's environmental review record for the projects indicates omission of a required decision, finding or step applicable to the projects in the environmental review process.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to HUD at: McNamara Building - 17th Floor, 477 Michigan Avenue, Detroit, Michigan 48226. Objections to the release of funds on the basis other than those stated above will not be considered by HUD. No objection received after December 3, 1991 will be considered by HUD.

Edward H. McNamara
County Executive
County of Wayne

RE-ELECT

BILL WADSWORTH
ROMULUS CITY COUNCIL

Romulus Resident for 24 years
Married 24 years to wife Virginia
Three children, John, James and Billy
Employed Police Officer for 24 years
Uniform Sgt. Wayne County Sheriff's
Dept. Assigned Metro Airport
Member of St. Aloysius 24 years
Member Public Works Commission
Veteran, (3 years) U.S. Army

Dear Romulus Resident:

In 1983, 85, 87 and 89, when you elected me to the city Council, I vowed to vote fair on all issues placed before me, always keeping in mind the needs of the citizens first. I believe I have.

During the 11 years I worked Romulus as a Police Officer, I feel I know and understand the problems, needs and wants of all the citizens, from the youngest to the seniors.

My wife Virginia and I have lived in Romulus for 24 years. Our sons all graduated from Romulus schools and we think it is a fine community to raise a family.

During my four terms we saw many positive things, new post office, paving of roads, completion of cable TV. I fought railroad expansion by CSX and won. Airport, commercial, industrial developments are important. But we must not sacrifice the quality of life for our residents. I stand on my voting record. Voting YES, second senior citizen tower, more police and fire protection. Sued Metro Airport on flooding our subdivisions, and improvement in all city services. I voted NO on residential re-assessment, deep well injection disposal, any new trailer parks and I opposed any new tax to build a baseball park. Many things are still undone and I ask your support for a fifth term.

Thank you,
Bill Wadsworth

DEPARTMENT OF EDUCATION NOTICE OF PUBLIC HEARING MICHIGAN DEPARTMENT OF EDUCATION PROPOSED ADMINISTRATIVE RULES GOVERNING OFF-ROAD RECREATIONAL VEHICLE SAFETY EDUCATION

The Michigan Department of Education will conduct a public hearing to allow comments by interested persons on proposed Administrative Rules Governing Off-Road Recreational Vehicle Safety Education Programs. The hearing is scheduled as follows:

December 3, 1991
10:00 a.m. to 12:00 p.m.
State Board of Education Meeting Room
Ottawa State Office Building
South Tower, 4th Floor
608 West Allegan Street
Lansing, Michigan

The notice of public hearing is provided in accordance with sections 24.241 and 24.242 of the Michigan Compiled Laws. The authority for these proposed rules is found in sections 17 and 17a of Act No. 319 of the Public Acts of 1975, as amended, being sections 257.1717 and 257.1617a of the Michigan Compiled Laws.

This act designates the State Board of Education implement and administer an off-road recreational vehicle safety education course, including the promulgation of administrative rules, and authorizes the expenditure of state restricted funds for its operation. Successful completion of the course is required of all individuals less than 16 years of age before being permitted to operate an off-road recreational vehicle or all-terrain vehicle in the state of Michigan.

If you are unable to attend the hearing, you may submit written comments to Mr. Roger L. Lynas, Director, School Management Services, Department of Education, P.O. Box 30008, Lansing, Michigan 48909, by December 13, 1991. A copy of the proposed rules may be obtained from that offices or at the public hearing.

Readers send in spooky stories for Halloween

By JOAN DYER-ZINNER
Belleville City Editor

Stories of the supernatural seem to surface during the days around Halloween, and whether one believes them or not, they add to the atmosphere of the season.

Carleton resident Lawrence (Larry) Schenk recalled a mysterious experience in Vietnam that remains unexplained for the past 30 years.

"During the '60s, I was a civilian working in Vietnam, and I was acquainted with a young Vietnamese woman. She was a member of an offshoot of the Bhuddist religion, which had a reputation of doing strange and unexplained mind-boggling things."

One day the young woman asked Schenk to accompany her to a religious ceremony in a nearby village.

"Being young and curious, I went along with her and found that we were supposed to be cleansed by bathing in fire," Schenk said.

Schenk recalled that he and three women "bathed" in the fire, but the so-called fire did not burn or sting. Then, he went into a separate room where he was to be symbolically put to death. He passed out and awoke feeling refreshed, but foolish, he said.

"Neither of the two ceremonies baffled me too much. I figured the fire was some kind of chemical or substance that

appeared to burn. I thought of it as just a clever trick," Schenk said. "As for being put to death, I was aware that a spot behind my ear had been pressed and it cut off the oxygen to my brain, causing me to pass out."

Schenk went into the office of the priest and his fortune was told through some symbols written on his skin. The priest predicted that he would marry within a year, which he did, but not to the woman with whom he attended the ceremony. The priest also predicted that he would receive a job promotion, and again, the prediction came true.

"My girlfriend asked me if I was hungry, and I said no. However, she insisted that I eat some fruit, and so I finally asked for a banana," Schenk said.

At that time, the strangest part of his experience occurred — an incident that he cannot explain or understand to this day.

"The priest was sitting some 12 to 15 feet away from the wall, but he reached his arm across the room and picked up a banana from a bowl on the other side of the room. I don't know how he did it," Schenk said. "People have tried to come up with explanations, but none of them reveals how it could have happened. I did see his arm extend across the room, and I don't know how he did it."

Frankie Jean Clemens often passes along predictions about the future of notable people. In

Then, three separate incidents happened that made me feel that he was near. Three times, items fell without explanation and dishes in the cabinet that he made rattled with no cause. It made me feel that he was close by.

— Frankie Jean Clemens

return, she receives polite "thank-yous" and personal letters, but she wonders whether her warnings were heeded as she hoped they would be.

For example, she wrote to former Alabama Gov. George Wallace to warn him of impending danger. She also wrote to President John F. Kennedy before his assassination.

She credits her clairvoyant abilities to her part-Cherokee heritage and recalled that throughout her life she has felt a special gift to foresee future events.

One of her most treasured experiences involved her late husband, Ernest, who died in 1983. The Clemens had been married for 41 years when he died, and Frankie Jean has missed him greatly since that time.

"When he was a young man, he lost an arm in an accident. Even with one arm, he was able to do a lot. I remember him bringing home scrap lumber and telling me he was going to surprise me. He built a beautiful cabinet from the lumber —

used to," Clemens said. "Then, three separate incidents happened that made me feel that he was near. Three times, items fell without explanation and dishes in the cabinet that he made rattled with no cause. It made me feel that he was close by."

A young woman from Romulus recalled being afraid of storms when she was a child. Often, she would awaken during a storm and run into her parents' room, she said.

One night, she fled from a storm and crept into bed beside her mother. She fell asleep, and later she and her mother awoke abruptly.

"We both saw the same thing — a man in black standing by the window. Both of us screamed, and my father woke up," the young woman said. "When he awoke, the figure of the man in black disappeared. I still get the shivers when I think about it. If I had seen it myself, I would have thought it was my imagination, but both of us saw the identical image."

ALL AROUND TOWN

William Ruane of Barlett in Canton Township recently earned his degree in transportation management at Michigan State University.

Wayne Stephens of Helen in Inkster earned his bachelors degree in psychology at the university and Gordon Wilkinson of Rosslyn in Westland earned his bachelors degree in accounting with high honors.

Army Pvt. Douglas G. Rendles, a multichannel communications system operator has arrived for duty at Caserma Ederle, Italy. He is the son of Sharon and Douglas Rendles of Standford in Inkster and is a 1990 graduate of Robichaud High School in Dearborn Heights.

During the training, recruits are taught general military subjects designed to prepare them for the academic and on-the-job training in one of 85 occupational fields.

The 1985 graduate of Romulus Senior High School joined the navy in May 1991.

Airman Eric M. Sharp has graduated from the air transportation specialist course at Sheppard Air Force Base, Wichita Falls, Texas. He received instruction in the techniques, functions, responsibilities and duties applicable to air cargo and passenger handling. He is the son of Mr. and Mrs.

Michael T. Sharp of Corbett Drive in Canton Township.

The airman is a 1988 graduate of Plymouth Salem High School.

Two Inkster residents, Sterling Barrett and Yolanda Cranford are among the class of 2,000 expecting to receive degrees from the University of Michigan this summer.

Barrett is pursuing his degree in engineering and expects to earn a bachelor of science in engineering in chemical engineering and Cranford expects to be awarded her masters degree in social work.

Patric S. Neiswinter received practical work in military leadership at the ROTC advanced camp at Fort Lewis, Tacoma, Wash. The camp, attended by cadets normally between their third and fourth year of college, includes instruction in communications, management and survival training. Successful completion of the advanced camp and graduation form college results in a commission as a second lieutenant in the U.S. Army, Guard or Reserve.

The cadet is a student at Central Michigan University, Mt. Pleasant. He is the son of Grant and Karen J. Neiswinter of Lancaster Court in Canton Township and is a 1988 graduate of Hartland High School.

Army Pvt. David A. Hayter Jr., a strategic microwave systems mechanic has arrived for duty at Robinson Barracks, Stuttgart, Germany. He is the son of David H. Hayer of Beatrice in Westland and Lynnette Decker of Harold in Plymouth.

He is a 1990 graduate of Metro Baptist School in Belleville.

Army National Guard Pvt. cky S. Cobb has graduated from the material storage and handling course at Fort Lee, Petersburg, Va.

Students were trained in receipt, storage, shipment, issue and preservation and packaging of supplies and equipment.

Her daughter, Georgia Cobb, resides on College in Westland.

Army Pvt. Pamela A. Kutschein, a member of the 6th Infantry Division, Fort Wainwright, Fairbanks, Alaska, has deployed to Fort Smith, Arkansas, for a training exercise. Kutschein, a unit supply specialist, is the daughter of Kathleen Kutschein of Peerce in Canton Township and John Kutschein of Ind.

She is a 1990 graduate of Canton High School.

Navy Seaman Recruit Anthony J. Gondek, the son of Jean A. Wilkerson of Kipling in Romulus, recently completed training at Recruit Training Command in Great Lakes, Ill.

FHA LOANS ARE NOW AVAILABLE

NOW GETTING A MORTGAGE IS ALMOST AS NICE AS GETTING A HOME.

There's never been a better time to get a new home. And there's nobody who is as willing to help as Security Bank and Trust.

With new programs available from the Federal Housing Administration and the Michigan State Housing Development Authority, you may qualify for low down payments, special reduced interest rates and low monthly payments.

Through federal and state financing programs, Security Bank and Trust can now offer more kinds of mortgages to low and moderate income families and first time buyers.

To find out more about FHA and other loans, stop in at any of our branches or call the number listed below. We're making borrowing money almost as nice as spending it.

We'll make you feel like our most important customer.

Opinion

A difficult choice

Voters in four of our communities face some very important and difficult choices next week.

When local residents enter the voting booths they will face the unique challenge of sorting out the best from a ballot listing a field of excellent candidates.

It would be difficult, in fact, for voters to go too far afield with the number and quality of candidates who have stepped forward to offer their services to their communities. While many of them are new to the political arena, we have no doubt that they would serve with the best interest of the community and those who elected them paramount in all their deliberations.

We, too, found choosing from the wide field of candidates more than difficult, and in some municipalities, impossible. We wish each candidate well and urge those not selected to serve in this election to offer their expertise again to voters at the earliest opportunity.

We fervently hope that area residents appreciate the time, effort and motives of those campaigning for office in this election. It has been a very long time since we have seen a slate of candidates to compare with those in this election. We urge voters to demonstrate their appreciation for these men and women by going to to polls to express their choice.

Please vote. What you do on election day will change lives and influence the future.

In Inkster

In the mayoral race, the citizens of Inkster can ill afford to return to the volatile politics of the 1970s when Edward Bivens served as mayor.

We, therefore, highly recommend and endorse Joseph Davis Jr. for mayor.

And we also urge Inkster voters to elect the following candidates as city council representatives.

District I Willie Johnson
District II James Collier
District III Naomi E. James
District IV Stephen Berry
District V Ernest Hendricks
District VI Danny N. Williams

In Romulus

We strongly support the candidacy of incumbents Noah P. Bergeron, Bill Wadsworth, Russell Lambert, Jimmie Raspberry, Randolph Gear, Fred (Junior) Block and Ellis Pennington. If voters would be best served with a change and some new ideas on the council, we would suggest that might be accomplished with the election of Pauline Calhoun and Mary Collins both of whom would serve the voters well. There are only seven seats available so Romulus voters will face a difficult choice, indeed.

In Wayne

Once again, a field of excellent candidates including some incumbents who have served well in difficult times. Newcomers to the race we would strongly endorse would include Ken Warfield and Edward Phillips. We are very favorably impressed with Andy Demetriou and feel he, too, would serve the community well. Incumbents Donna McEachern, Bob Beeny and Ed Rowe, however, are strong leaders who have served well and would continue to offer Wayne residents the benefit of their expertise. Voters will find it difficult indeed to choose only four individuals to serve on council from this field of excellent candidates. As incumbent mayor Patrick Norton has declined to serve another term, one of these elected will be chosen as mayor. Each would do a fine job.

In Westland

Here, too, the choice is exceptionally difficult and voters are faced with a nearly impossible task in sorting out the best from a field of excellent and experienced candidates. We would strongly recommend Tom Brown and feel that his contributions to the government of the city are invaluable. We would also endorse the contributions made by incumbent Charles Pickering. Former councilman Bill Ziemba certainly provided Westland residents with excellent representation during his term of office and would be a welcome addition to the council. We would also recommend Sharon Scott, who would provide, we feel, a balance needed on the council. Incumbent Tom Artley would also serve well, as he has in the past and voters will have a difficult time choosing only four candidates from this field of five outstanding public servants. We must note, however, that particularly in Westland, all eight of those seeking office would provide something of real value if elected and this is a campaign in which voters simply cannot make a poor choice.

CASTING PEARLS BEFORE SWINE...

Councilman responds to critic

To the editor:

Thank you for giving me the opportunity to respond to the letter written to you by Glenn Shaw Jr. which appeared in the Oct. 17 edition of *The Westland Eagle*.

Nowhere in the letter does he in any way refer to my record as a four-term member of the Westland City Council, nor does he criticize my legislative abilities, nor my voting record on the council. Rather, his letter amounts to nothing more than a personal attack upon myself and my family. It is truly sad that he has resorted to such tactics, and I will not dignify his letter by responding to his abusive remarks.

Shaw's dislike for my council candidacy appears to stem from his inability to control my vote on the city council, or perhaps because he is supporting other candidates in this election.

I would only ask the citizens of Westland to be aware that additional "midnight flyers" might be forthcoming from Shaw which may contain innuendos, half-truths, lies and more personal attacks on myself or other candidates, to confuse and deceive you on the eve of elections. I am confident that the citizens of Westland will recognize his attack for what it is: a personal assault on my family and my character without any basis of factual support.

Whatever your preference of candidates may be, please VOTE on Tuesday, Nov. 5.

Thomas Artley
Councilman City of Westland

LETTERS

Former mayor advises voters

To the editor: You haven't heard from me for the last 22 months. As you may know, I've returned to my former profession, but as a former public official, mayor and councilman for over 14 years, I feel compelled to speak out about one incumbent councilman whom I personally believe has been, and continues to be, a negative, destructive force in the City of Westland.

Tom Artley was once a contributing positive member of the council but approximately seven years ago he changed drastically. As a councilman, he began to do things that concerned me. In my opinion, he became confrontational, erratic and abusive. Mr. Artley's negative attitude and confrontational nature became even more pronounced during my term as mayor. I guess I could understand his unwillingness to get along with me, but it spilled over to his colleagues on the council and even to the citizens who appeared before the council.

Mr. Artley began to forcefully and loudly oppose everyone who came before the council, particularly if the past and present administration had recommended the item. He was also disrespectful and mean spirited toward directors and division heads. In fact, I can recall when he was downright rude and abusive to Sylvia Kozorosky-Wiacek and had her in tears.

At the same time, Mr. Artley displayed this kind of irrational behavior, he continued to vote yes on items that concerned companies that either his relatives worked for, or were hired shortly after the vote. In addition, I am aware of one case where he approached the police department about a family member who was involved in a criminal matter. As mayor, I was informed of this contact and told the police to conduct their business as usual and show no favoritism. The case was processed.

In my opinion, Tom Artley is not above using his elected office for his own personal benefit. His integrity has been compromised. I urge voters to consider this information when they cast their votes Nov. 5.

Charles "Trav" Griffin
Westland

Bivens blasted

To the editor:

No, Tom Bivens was not joking about his admiration for Orville Hubbard. Perhaps you will recall when Ed was mayor of Inkster, he made national publicity when he was married by then Mayor Hubbard in Dearborn. Even then he managed to offend an entire community with his publicity antics.

So again, in answer to your question, Bivens wasn't joking - he is a joke.

Name withheld upon request

Superintendent offers challenge

To the editor:

One sentence in a letter to the editor from Dave Moranty, chairman of the misnamed Cit-

zens For Education Committee, printed in the Oct. 24, 1991 edition of *The Associated Newspapers* makes sense. I can't believe I have said that; but, the one line in Moranty's letter gives him the opportunity to show that he doesn't totally lack honesty and integrity.

I quote from his letter, "The current school board could save \$12,000 (cost of a recall election to the taxpayers) and a whole lot more, prevent the recall and grant the wishes of the majority of the community by firing O'Neill now."

Four members of the current school board have marched to your order, Moranty. My career in Wayne-Westland is history. Four board members have hit your primary target in your efforts to accomplish your ultimate goal, the demise of a highly respected, quality school district.

Prove that you do possess one iota of credibility, Moranty. Follow through with what you wrote in your letter and call off your "recall dogs."

Dennis O'Neill
Superintendent Wayne-Westland Community Schools

Candidate criticized

To the editor:

It just became known to me that Darnell Cotham, a candidate for city council, is Don Farmer's sister, the leader of the recall campaign in Wayne. She was a member of the recall committee with Jim Netter. I'm surprised she got nominated considering these facts.

VIEWPOINTS: Do you believe in ghosts?

Tony Fry
Canton

No, I just don't believe in them. I think this time of year, that's just something fun for the kids.

Pamela Kersey
Romulus

Not really. I've never seen or heard one. You can't touch them. It's pretty hard to believe.

Linda Cook
Westland

Yes, I sure do. Why not? I think it's possible. Actually, I think I may have one in my house.

Emmett Mills
Belleville

No, because I believe when you are dead you are dead and you go into the hereafter. You can't come back.

Lawrence Vernier
Wayne

Yes, I believe that it's possible, that spirits can hang around after death. Sometimes for some good reason.

Hilda Harris
Inkster

No, I sure don't. I just don't believe in them, that's all.

Champs are 8-0 Robichaud buries Inkster to clinch title, playoff berth

By TOM MOORADIAN
ANP Staff Writer

Robichaud, the defending and undefeated Class B state champs, put down a spirited and upset-minded natural foe, Inkster, 21-0, Friday afternoon to retain the Suburban Athletic Conference football title.

It was the fourth outright SAC championship for Robichaud and eighth conference title for the Bulldogs since the inception of the conference in 1977.

"Winning the title was one of our goals," said veteran Robichaud coach Bob Yauck. "The second is to qualify for the state-playoffs, and we also accomplished that with this victory."

The victory assured the defending state champs of a berth in post-season play. However,

whether they will have the home field advantage will depend on the outcome of their game Friday night with city rival, Crestwood.

"We have enough playoff points to put us in the tournament," Yauck said. "A loss to Crestwood would not change that. However, if we want home-field advantage we must win Friday night."

The four top teams in Region 4 include Robichaud, Imlay City, Detroit Country Day and Marysville.

Crestwood, coached by former Wayne Memorial coach Floyd Carter, remains in the thick of the race for a Class BB playoff berth. The Chargers also would like to pay back the Bulldogs for the beating last year.

"They're looking to enhance their play-offs position, rede-

"We have enough playoff points to put us in the tournament. A loss to Crestwood would not change that. However, if we want home-field advantage we must win Friday night."

— Bob Yauck
coach

mption, and the bragging rights for the city," Yauck said. "Is this game important? You can bet it is."

And to win, Yauck knows his team must stop Chuck Reynolds, one of the premier running backs in the state this year. In eight games, the quick and speedy Reynolds has already rushed for phenomenal 1,400 yards.

"Carter has taught these

kids how to win," Yauck said. "It's going to take a flawless game from our kids to beat them."

Kickoff at Crestwood Friday is 7:30 p.m.

Robichaud had a tough time shifting its grid machine out of first against the visiting Vikings, who held the champs scoreless until the final 1 1/2 minutes of the first half. Then, Kevin Bradley picked off an

errant Inkster pass at midfield to get things going for the Bulldogs. Six plays later, quarterback Tom Massey had the Bulldogs on the Inkster three where, on the sixth play in the series, he handed off to Mike Orsette who capped the mid-field drive with the first touchdown of the game.

Robichaud got an eight-point cushion early in the third quarter when Massey and tight end Jamal Bohannon combined on a 38-yard touchdown pass-play. Massey then converted on an option to make it 14-0.

Robichaud put its final TD on the scoreboard with 8:15 left in the last quarter with the help of Steve Gill's interception. That came at the Bulldog 48. After a couple of excellent efforts by fullback Gary Phillips and Orsette, the Bulldogs reached the Inkster 20-yard line where

Massey, on a three and fourth-down situation, fired a touchdown pass to Bohannon.

Phillips booted the extra point.

Despite the mud and rain, Orsette managed to rush for 72 yards on 15 carries and Phillips had 24 yards on seven tries. Massey connected on four of eight passes for 125 yards.

Bohannon also stood out defensively. The senior end was credited with 10 tackles, while teammate Phillips had six solos, including two sacks of the quarterback.

With his two interceptions against the Vikings, Gill now has eight on the season. Bradley has six steals to his credit.

According to Robichaud's stats, Inkster only had 27 yards rushing. The Vikings completed seven of 17 passes for 70 yards.

Glenn needs win over Wayne to keep playoff hopes alive

By TERRY LYNCH
ANP Special Writer

If Westland John Glenn wants an invitation to play in the Class A state playoffs, the Rockets will have to beat natural rival, Wayne Memorial.

Easier said than done, as those who have followed the two arch-rivals know.

Glenn kept its playoff hopes alive by shutting out Walled Lake Western 13-0. Their 6-2 over-all record deserves consideration for the playoffs. And coach Chuck Gordon's team could harvest a bunch of playoff points if they beat Wayne for the city title next week.

"It will be a great contest between kids who know each other," predicted Wayne Chuck Howton, after his team displayed power in destroying a highly-touted Monroe, 28-8, Friday night.

Glenn, which has dominated the series between the two Wayne-Westland school district rival, will travel to nearby Wayne for what definitely is the final confrontation of the year for the Zebras.

In the meantime, the Rockets turned in a stunning performance on defense — they held Western to a total of 81 yards—in their fourth conference win in six starts.

After Western nailed deep in its own territory, the Westlanders took possession at midfield. At 10:04 of the third period, senior tailback Tad Quattlander broke a thrilling 39-yard sprint for the Rockets first TD. With the extra point blocked, the score stood at 6-0.

On the Warriors' next possession, the Rocket defense took it up another notch. Senior defender Carl Brooks and Gary Chmiel sacked QB Dave Watkins on his own 17, however, the offense failed to capitalize.

Terry Heuer's punt pinned the Warriors on their own 1-yard line, and they had difficulty getting out of the hole.

Senior Jaime Henry intercepted a Watkins' pass and ran it back to the two where Heuer, on the next play, executed a keeper for the second and final TD of the game. Kicker Chris Bandy made it 13-0.

Western had one solid chance of getting on the scoreboard, however, the threat was erased when John Ward picked off another Watkins pass.

Ward was the leading rusher for the winners. He had 56-yards on 10 carries, while Heuer connected on seven of 15 passes for 75 yards.

Wayne exploded for 20 points in the second quarter en route to its second Wolverine 'A' victory. However, it was Monroe which drew first-blood as Weyman Jones broke loose for a 75-yard touchdown and scored the two-point conversion to lift the Trojans to an 8-0 lead.

It was all Wayne after that.

With five minutes remaining in the half, Wayne suddenly came alive. Quarterback Jason Wetmore and Ricky Barnes teamed up on a 25-yard touchdown pass. Wetmore then picked out Eric Bates for the two-point conversion, and the game was tied at 8-all.

Monroe fumbled the ensuing kickoff and Wayne recovered on the 38 thanks to Murdank Forrest. Running back Germaine Ellis dashed off tackle for four-yards and a touchdown to break the deadlock. The kick for the extra point sailed wide.

Monroe committed its second turnover in the closing minutes as Tim Mate intercepted. Wetmore then drilled a 30-yard touchdown pass to flanker back Greg Carrico for the final score of the half.

A 27-yard touchdown run by Bruce Calhoun rounded out the Wayne scoring. He finished with 142 yards rushing on 13 attempts. Wayne also received 67-yards on 12 tries from Ellis while Wetmore, returning to the lineup after an injury, came up with five of 18 pass completions for 86 yards and two touchdowns.

Jones did the most damage to the Wayne's defenses as he rushed for 163 yards on 29 carries.

Belleville put on its best show on offense Friday night for a rain-drenched parents' night crowd and members of the Tiger Team of 1941 to subdue Trenton 31-20 in the Wolverine 'A' Conference finale of the 1991 season. The Team of '41, guests of the Van Buren School District, gathered for their *Golden Anniversary* and some 25 former players returned to their field of dreams to reminisce on their past achievements. In the photo at the left, quarterback Ralph Truitt gets some running room and protection. Truitt was on target on four of his seven tosses for 106 yards, including touchdown passes to Al Barnett and Mike Komaromi. The Tigers will wrap up the season Friday night at Romulus High. First for Tigers Belleville qualifies for state finals

By TOM MOORADIAN
ANP Staff Writer

Belleville runners on Saturday survived inclement rain and a treacherous 5-kilometer terrain to finish third at the 19-team Class A regional cross country championships staged the Highlands in Riverview.

The third-place finish is the final qualifying berth for the state finals. Coach Dave Medley's Tigers will join regional champ, Monroe, and runner up Adrian, on Saturday to compete for state honors.

The state finals will be hosted by Wyoming at Terra Berde Park, located south of Grand Rapids.

It is the first time that a team from Belleville High has made it to the state cross country championships.

"I am pleased, very pleased at the overall team effort," said Medley, who has coached some outstanding runners and teams during his 15-year tenure as coach. "All seven of our runners came through with solid performances."

Monroe, the undefeated Wolverine 'A' Conference champ, won the regional with 34 points. Adrian was second with 81, followed by Belleville with 88.

Gary Knowlton led the Tiger pack. He finished 11th with 16:49, and was a step ahead of teammate Troy Adams (16:50). Adams was the 12th runner to cross the finish line.

Other Belleville runners whose times counted

in the scoring were Darren Hamilton, 18th (17:00); Jason Kidwell, 20th (17:04); Dan Durham, and 27th (17:17). Two Belleville freshmen Craig Hogg, who finished 31st (17:26) and Mike Ryan, 32nd (17:28) also looked good.

Medley said the competition at state will be tough, and that he hoped his runners could finish in the "top half of the field."

"Some of our kids have been battling the flu," Medley said, "if they overcome it, I feel we will do all right."

Belleville also qualified two runners from its women's team for the finals. Ann Gray, who has earned state-wide recognition as one of the finest high school distance runners in Michigan, and Carmelita Martell, a consistent top-finisher for the Tigers, will represent Belleville in the finals.

Gray finished second to "nemesis", Becky Caldwell of Wyandotte. Caldwell covered the 3.1-mile course in 19:39, leaving Gray in her wake. Gray's 19:50 earned the regional silver; Martell was 14th in 20:49.

Dearborn Edsel Ford came away with the regional trophy thanks to 69-points, followed by Monroe (100), Woodhaven (102), Trenton (129) and Belleville (143).

Belleville coach Sam Vicchy was disappointed at his team's finish.

"I think we're going to have to go back to the drawing board. We do have the talent to do better."

'Team of 1941' helps lift Tigers to league victory

Belleville did not disappoint a parents' night crowd and members of the Team of 1941 Class B state championship squad Friday night.

Coach Sam Villa's Tigers rallied to 31-20 victory over Trenton in the Wolverine 'A' Conference football finale for both teams. The victory lifted the Tigers out of the cellar, leaving the position to the sole-occupancy of the winless Trojans from Trenton.

In the crowd were some 25 members of the Belleville football team that won the mythical state title 50 years ago.

"We had talked about them being there," said Villa, "but we really didn't want to put any additional pressure on our kids. We told them to play their best. And they did."

Despite intermittently rain fall throughout most of the game, both teams managed to unleash their best offense of the season. The Tigers, apparently believing it was Halloween, started off with a trick — they tried an onside kick — which backfired.

"Obviously, if they had scored in that series, it would have put them up 20-12 at half and put us in a precarious position," Villa noted.

Belleville grabbed the lead for the first time early in the third quarter when Al Barnett grabbed a 19-yard TD pass from Truitt. The 18-13 lead vanished quickly in the next Trenton series when Mans recovered a Rob Suterby fumble in the Tiger end zone.

Belleville then unleashed Marty Sacco against the Trojans. And the rugged ballcarrier responded with a pair of touchdowns — 15 and 20-yard runs — that turned the tide for the home team.

Komaromi piled up 153-yards of the Tigers 381 total, and Truitt connected on four of seven passes for 106 yards.

Belleville will bring the curtains down on the 1991 campaign Friday night against Romulus, a team that saw its playoff dreams end last week with a 7-0 loss at the hands of Woodhaven.

PEOPLE

JUST MARRIED

Kasenow – Rickerman

Walter and Carolyn Kasenow of Romulus and Helen Rickerman of Galien have announced the marriage of their children, Pamela Lynn Kasenow and Pat Elwood Rickerman.

The bride is a graduate of Romulus Senior High School and Michigan State University and currently works for the Marriott Corp. at Memorial Hospital of South Bend.

The groom is a graduate of Galien High School and Andrews University. He is currently employed at Memorial Hospital of South Bend.

Mr. and Mrs. Pat Rickerman

The couple exchanged wedding vows Sept. 28, 1991

Sneddon – Turner

Ronald and Marie Dunn have announced the marriage of their daughter, Cindy A. Sneddon, to Dillard C. Turner of Wayne.

The bride wore a tea-length white lace gown and carried pink and burgundy flowers at the Oct. 1 ceremony.

The matron of honor was Karyl Morgan, the bride's best friend.

Taylor Sneddon was bridesmaid and Katie Morgan was flower girl at the nuptials.

Edward P. Adkins acted as best man.

The ceremony was at 29th District Court and Judge Carolyn Archbold officiated. A reception for 20 guests

Mr. and Mrs. Dillard Turner

followed at the Wayne Roadhouse.

Stevens– Lada

Roxann K. Stevens and St. Layne E. Lada were united in marriage at a 1 p.m. ceremony Sept. 7 at Redeemer Lutheran Church in Fridley, Minn.

Officiating at the double-ring ceremony were Pastor Gene Hermeier and Pastor Charles Anders.

For the ceremony, the bride chose a Marissa print satin gown with fichu neckline and sequin appliques which featured a bow at the back with a bustle and full skirt. She carried a mixed bouquet of fall flowers.

She was attended by maid of honor Cathy Stevens, her daughter who wore a calf length gown of raspberry taffeta. She, too, carried fall flowers.

A friend of the bride, Robyn Socha-Hanson acted as a bridesmaid. She wore a gown similar to that of the maid of honor.

Performing the duties of best man at the ceremony was a friend of the groom, John Judge. Lance Lada, a brother of the groom, acted as groomsman at the service.

The bride is the daughter of Pauline Anderson and the Late Loren Anderson of Minnesota.

The groom's parents are Gabriel and Elizabeth Lade of Woodside Drive in Westland.

Following the nuptials, the couple was feted at a

Mr. and Mrs. Layne Lada

reception at T. Wrights Supper Club in Brooklyn Center, Minn.

Following a week-long honeymoon, the groom returned to station in Germany. His bride plans to join him as soon as possible.

The bride is employed as a media representative for Gallup, Inc. and as a signer for medical interpretation for the hearing impaired.

The groom a 1979 graduate of Wayne Memorial High School, is with the military police stationed in Germany.

ENGAGEMENTS

Meyer – Fister

Donald and Jean Meyer of Belleville, Mary Fister of Ann Arbor and Ervin Fister of Ann Arbor have announced the engagement of their children, Sue A. Meyer and Kenneth A. Fister.

A 1981 graduate of Belleville High School and a 1985 graduate of Central Michigan University, the bride-elect is currently employed as an account executive with Petry Television.

The future groom is a 1980 graduate of Gabriel Richard High School and a 1985 graduate of Michigan State University. He is currently employed as a shipping manager with the Keebler Company.

Sue. A. Meyer - Kenneth A. Fister

The wedding is planned for April 25, 1992.

Smith – Hicks

Edmond R. Smith Sr., Mr. and Mrs. George and Dosye A. Thompson and Mr. Chester J. Hicks Sr. have announced the engagement of their children, Beville Alicia Smith and Chester James Hicks Jr.

A graduate to the University of Oklahoma with a masters in human relations and a bachelor of arts in journalism, the bride-elect is currently employed as a sales representative with Johnson and Johnson Medical, Inc. in Pennsylvania. She is a member of the Urban League of Young Professionals and

Salem Baptist Church.

The future groom is a 1977 graduate of Inkster High School and a 1982 graduate of Saginaw Valley State University where he received a bachelor of business administration. He is currently employed as retail operations manager at Bristol-Myers products in Pennsylvania.

He is a member of Kappa Alpha Psi Fraternity, the Delaware Valley Baptist Church and of Urban League of Young Professionals. He is also a tutor with Junior Achievement.

The wedding is planned for Nov. 16, 1991.

Dague-Robbins

Deanna Dague and Todd Robbins are engaged to be married.

The bride-elect is the daughter of Danny Dague of Romulus and Susan Dague of Coldwater. She is employed at Livonia Diagnostic Services.

The future groom is the son of Shirley Robbins of Ann Arbor and Paul Robbins of Garden City. He is the grandson of Henry and Joyce Tkachuk of Romulus.

The groom-to-be is employed at Promotional Trim Conversions.

No date has yet been set for the wedding.

Send us your news

The Associated Newspapers Inc. welcomes news of weddings, births, anniversaries, engagements and special honors.

Information for a society notice should be typed or neatly printed and submitted on a form designed for these specific purposes.

Harris– LaBean

Michele Lynn Harris became the bride of Roger Dale LaBean during an early evening ceremony Nov. 2 at St. Matthews Lutheran Church in Westland.

Officiating at the nuptial rites which were witnessed by 200 guests, was Pastor Headapohl.

Acting as matron of honor at

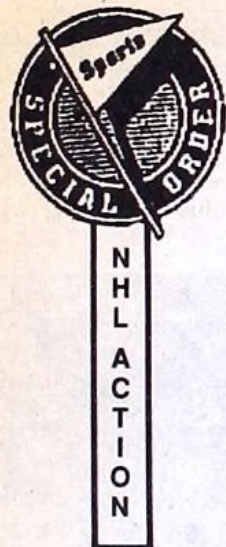

the ceremony was a friend of the bride, Michelle Devonne Glass. Bridesmaids included Penny LaBean, Barbara LaBean, Melinda LaPorte, Bene Ayers, Kim Wong and Christine Harris.

Performing the duties of best man at the wedding was Timothy Michael Oger. Groomsmen and ushers included Early LaBean, Jr., Arnold LaBean, Dave Husted, Roger Ayers, Scott LaBean and Brian LaBean.

Melissa LaBean was dressed as a miniature bride at the ceremony. Lindsay LaBean acted as flower girl for the couple and ringbearer was A.J. LaBean.

The bride is the daughter of Mr. and Mrs. Garry D. Harris of Dexter, Mich. and the groom is the son of Sandra LaBean of Westland.

Following the ceremony the couple was feted at a reception at Roma Hall of Garden City.

Wheels

Chevrolet restyles Suburban

The Chevrolet full-size sport-utility vehicle is completely restyled for 1992, and is based on the successful full-size C/K Pickup.

The '92 Blazer can carry one more person (for a total of six) and tow 1,000 pounds more than its predecessor. A 5-inch longer wheelbase gives the '92 model a smoother ride. It also has a higher gross vehicle weight rating and more front and rear leg room and rear hip room.

The big Blazer shed the R/V Pickup platform for the contemporary appearance and significant improvements of the C/K Pickup—the Chevy full-size pickup. In fact, some of the exterior sheetmetal is identical to that of the pickup.

Other new standard features for Blazer include anti-lock brakes (ABS) and the Chevrolet patented Inst-Trac system for "shift-on-the-fly" convenience.

ABS reduces the chance of wheel lockup during braking. It is designed to help the driver maintain steering control even in panic stop in rain, on snow or ice. It can adjust brake pressure at a rate even the most skilled driver cannot attain.

A 5.7L EFI V8 gasoline engine is standard. A 5-speed manual transmission with overdrive replaces the 4-speed manual as standard equipment. A 4-speed automatic with locking torque converter and overdrive is optional.

New exterior and interior appointments for the Blazer include improved seats with head restraints for the front outboard seating positions, a standard full gauge cluster and standard extended range AM radio.

More than half of the Blazers

Of the more than 100,000 vehicles sold in the truck-wagon segment in 1990, the Chevrolet Suburban was number one, capturing more than 50 percent of the market.

sold in 1990 were purchased in the northeastern and western United States. Blazer is popular transportation among active families or empty nesters for boat towing and R/V trailering.

Beige is a new interior color. Bright red and beige metallic are new exterior colors.

Chevy Suburban

The Chevrolet Suburban—the most popular utility vehicle of its type in America and automotive icon of the State of Texas—gets a major updating in its 57th year with the fresh styling and the proven full-frame construction of the popular full-size Chevy pickup.

Of the more than 100,000 vehicles sold in the truck-wagon segment in 1990, the Chevrolet Suburban was number one, capturing more than 50 percent of the market.

The popularity of the Suburban in the South (and Texas in particular) is unrivaled. In fact, *Texas Monthly* magazine named it the national vehicle of Texas, a reference to the disproportionate share (30 per-

cent) of the vehicles sold there. The new '92 model will be launched first in the Lone Star State.

Available in 2- and 4-wheel-drive models, the 1½-ton (C/K 1500) and 3¼-ton (C/K 2500) series, the 1992 Suburban features improved step-in-height, load-floor length and greater cargo space. Its towing capability—10,000 pounds—makes it a must for serious trailering.

The '92 Suburban also has more front and rear leg, shoulder and hip room than its predecessor.

Four-wheel anti-lock brakes are new for all 1992 Suburbans. ABS reduces the chance of wheel lockup during braking. It is designed to help the driver maintain steering control even in a panic stop in the rain, on snow or on ice. It can adjust brakes pressure at a rate even the most skilled professional driver cannot attain.

The Chevrolet version of the full-size pickup suspension delivers a smooth-car-like ride with tough-truck construction and heavy-duty towing capability. The front suspension is independent with upper and lower control arms and stabilizer bar. The rear suspension is a semi-elliptic, two-stage, multi-leaf spring design.

A 5.7L EFI V8 engine is standard. Suburbans rated over 8,500 pounds gross vehicle weight are equipped with a heavy-duty version of the 5.7L. The big 7.4L, 454-CID EFI V8 is optional on Suburbans above 8,600-pounds GVWR.

The '92 Suburban—properly equipped—can move up to 17,000 pounds, including vehicle, trailer, people, cargo and equipment—1½ ton more than its predecessor.

The completely restyled 1992 full-size Blazer (above) can carry one more passenger (for a total of six) and can tow 1,000 pounds more when properly equipped. It has a smoother ride and more front and rear leg room and more rear hip room. The restyled Suburban (below) sports the contemporary styling and proven construction of the General Motors most popular vehicle—the full size pickup. The tow vehicle of choice for serious trailering (up to 10,000 pounds) the Suburban features four-wheel anti-lock brakes and Chevrolet patented Insta-trac system for "shift-on-the-fly" convenience.
